

Imagination Station Information

Once you have been trained to support your family member or friend, the room can be scheduled from 9-5, M-F.

Once we have a trained volunteer base, we will be able to open on weekends.

The schedule for all of these hours is in an outlook calendar. Room time will be booked by calling the front desk at Summer St. at 479-4055. Bookings are typically being scheduled for a 45 minute hour to leave 15 minutes for set up, shut off and clean up. If you are working with a service provider, encourage them to come get trained soon.
